## President's Update

A lot has happened since my first President's report in June newsletter.

Linda, Therese, Chieko and I joined over 1200 Zontians for the 61<sup>st</sup> International convention in Torino, Italy and that was a great experience for us all.

The days were busy with proposals for changes to Bylaws, voting on projects for the coming biennium and hearing first hand about the projects we support internationally.

With changes pertaining to committees, the bylaw states there shall be "Membership Committee, Service Committee and Advocacy Committee and other committees as required to achieve the biennium goals" This will be reviewed by our Board in the coming months.

New International President, Lyn McKenzie, the International Board and the committees are committed to working to increase the credibility and visibility of Zonta in the community with the aim of increasing membership.

It was particularly pleasing to learn that President Dianne Curtis acknowledged District 22 for the contributions to ZI Foundation and especially as there were several natural disasters in 2011. District 22 contribution is 4<sup>th</sup> highest of all contributions.

Another honour was the announcement that our YWPA nomination Sara Newman was recommended for an International Award.

The convention committee organised some excellent social activities, which gave us time for fellowship with Zontians from many countries. I wish I lived in a cooler climate so I could wear some of the Italian clothes from the fashion show.

I have prepared a separate report on the Convention and for further information I suggest you go to the ZI website [www.zonta.org](http://www.zonta.org).

We woke on Saturday 21 July to a cool clear morning for our 32<sup>nd</sup> Fair and with most of our stalls set up the previous night we were ready for our early customers. I would like to thank everyone for the time and effort put into making the Fair such a successful event and especially the Fair committee who have been planning this event all year.

As members voted to support Project Now, I remind you that the breakfast is on 26 September. There are tables of 10 people and I am hoping we can fill a few tables for this fund raising event.

## Our 31st Annual Zonta Fair

Thanks to everyone's hard and cheerful work (see photos!), our Fair this year was a success, despite a slow start. It was a real benefit to be able to set up our stalls on the previous evening.

We had a wonderful assortment of stalls which included produce, plants, jewellery, toys, clothing, books, cakes, coffee, food, "treasures" for sale and the monster raffle. It was encouraging to see many Fair regulars back again.

This is only the second year we have held the fair at the Holy Family School, and we very much appreciated the kindness and helpfulness of the school's principal, John Robertson. The value of using this venue rather than the park was highlighted by the headmaster when he told us that Robertson Park proved to be a quagmire when they held the school sports day there during the previous week.

A highlight of the day was the wonderful entertainment program organized by Glenda Gobe and introduced with flair by our MC, Bob Guthrie. It included group singers, soloists, dancers and several bands including bagpipes. Many of these participants brought family and friends with them who also bought items contributing to our fair income.

Our net figure this year was approximately \$11,600, which will be used to fund our 2012 service grants.
