## **PRESIDENT'S MESSAGE**

The Changeover Dinner is upon us once again, and even though we were working under difficult circumstances we have had another successful twelve months. We will be installing the new board members so current board members please bring along your badges for the installation of the new board.

I would like to thank the outgoing members of the board Kaye Lollback, Pauline Brown, Susie Dunn, Carole Dickinson and Rosemary Maslen for their contribution over the past twelve months, without their assistance the club would not have operated as efficiently as it has. This not only goes for the board, as without the help of all members we would not achieve what we have during this past 12 months.

During the month we have been assisting a family from Ukraine with school uniforms for a 9 year old girl, so that she has what is needed for her first day. The school has received Dept of Ed approval for Vira to start school on Friday. She will start on Monday and she is really looking forward to it.

Also support for flood victims is still happening with items being delivered as needed.

For those who love live theatre there is a plan in progress to hold a theatre night and as we have in the past, we will be asking members to bring a plate of finger food and to bring friends. This is certainly an easy way of raising a few dollars as well as having a great time and encouraging new ladies to join our club.

Some of our Club members will be attending the Area 1 & 3 meeting on the weekend. It's always interesting, and you learn something new every time you attend these meetings, and the newer members are usually in overload, but also thoroughly enjoy the day.

I hope that you will ALL be able to attend the Changeover Dinner to welcome in the New Year.

Lesley-Anne  
President

## **SERVICE REPORT**

This month 60 breast cushions were collected from the Broadwater Ladies. They have been very busy. I have packed them ready for delivery when needed.

30 toiletry packs and 28 various sized new undies were dropped off to the Tweed Hospital Sexual Assault department.

We still have plenty of packed toiletries but we do need new undies of various sizes.

So could we aim to collect and bring in some undies to the June meeting please all sizes are needed our supplies have run down.

Please remember the Tweed Broadwater Ladies "Biggest Morning Tea" on the 18<sup>th</sup> May 2022.

*Carole*

### **How the floods affected ONE TWEED WOMAN**

As I am unable to do any active work I gave Rose money to spend if she heard of a lady who needed a little help, yes a large lady lost all her clothes and she needed BRAS. A simple need but oh so important.
