# PRESIDENT MESSAGE

## FEBRUARY 2021

The Nominating Committee is in the process of approaching members for nominations to the new board, your enthusiasm will be most well received. At our March Dinner Meeting we will vote for Board Members for the next year 2021-2022.

We have been informed that our Birthing Kits will be distributed in Nigeria. To continue to supply another 600 kits, we hope to have a 'Birthing Kit' assembly day, possibly in September.

Our ongoing support of Momentum with the supply of towels and laundry detergent is greatly appreciated. They are suggesting that a supply of soft toys for the children who enter the refuge would be a wonderful addition to the support offered to families.

### **Don't forget :-**

1. Knicker night for Care Packs, this dinner meeting – any size 8 to 20
2. To pay your membership fees as soon as possible so that we can finalize before the 31<sup>st</sup> March

Looking forward to seeing all on Monday 15<sup>th</sup> – 6:00 for 6:30 start Qld Time.

Warm regards,

Lesley-Anne

## Service Committee

Since our January meeting I dropped off to Tweed Hospital 20 beautifully packed breast cushions.

Broadwater Village Ladies have been working hard, they are so industrious, we are so lucky to have these ladies. They finished 5 bags of breast cushions ready for packing and have cut out quite a few more cushions waiting to be filled. Rosemary has purchased some more satin for the future.

At our last meeting it was decided to donate to the Tweed Refuge new towels and tea towels to the value of \$200.

In the package to the Refuge were 2 boxes of laundry detergent which is an ongoing commitment.

Tania indicated that the “new soft toy” collection that we did late last year was well received and she would like to see this as an ongoing support initiative at the Refuge.
